

The image features a lush green tea plantation on rolling hills, with misty hills in the background. Several large, vibrant green tea leaves are scattered throughout the scene, some appearing to float in the air. A large white circle is positioned in the upper right quadrant, containing the brand name. The overall color palette is dominated by various shades of green, from deep forest green to bright, fresh green.

Introducing Pure Ceylon Tea

Well-known Ceylon Tea is one of the most distinguished flavors of tea, celebrated all across the globe it is very popular for its rich aroma, taste and color. Every sip gives a unique feeling of its magnificent taste for which Ceylon Tea is well known for.

Ceylon Tea is often regarded as the "Best among the Rest" in the global tea industry. One sip of pure Ceylon Tea will provide a refreshing experience that will help you relax after a long day. Ceylon Tea has earned a reputation for stimulating the minds of people all around the world, including royal families.

James Taylor, a Scotsman was the first to introduce tea to the world as a commercial crop. In a very short time, he was able to spread the name and its distinct flavor across the island and around the world, indicating its importance.

Sri Lanka is now one of the world's leading tea planters and exporters. Ceylon Tea is classified as Low Grown, Mid Grown, or High Grown according to how far a tea plant is grown from the ground. WINSLAND TEA (PVT) LIMITED's tea zones are named considering the country's geographical regions as Dimbula, Kandy, Nuwara Eliya, Ruhuna, Uda Pussellawa and Uva.
